

VIA MOTIF

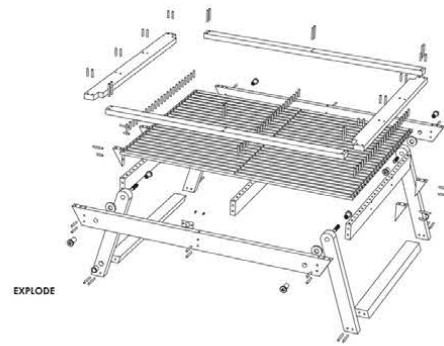

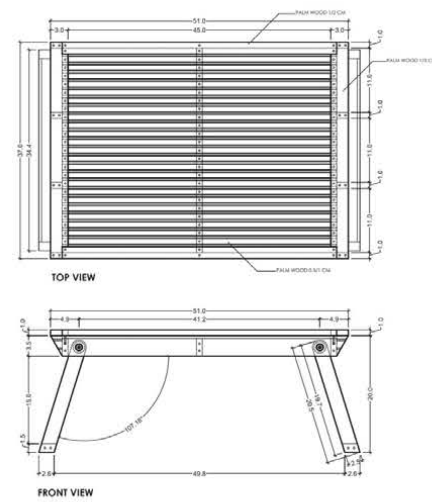

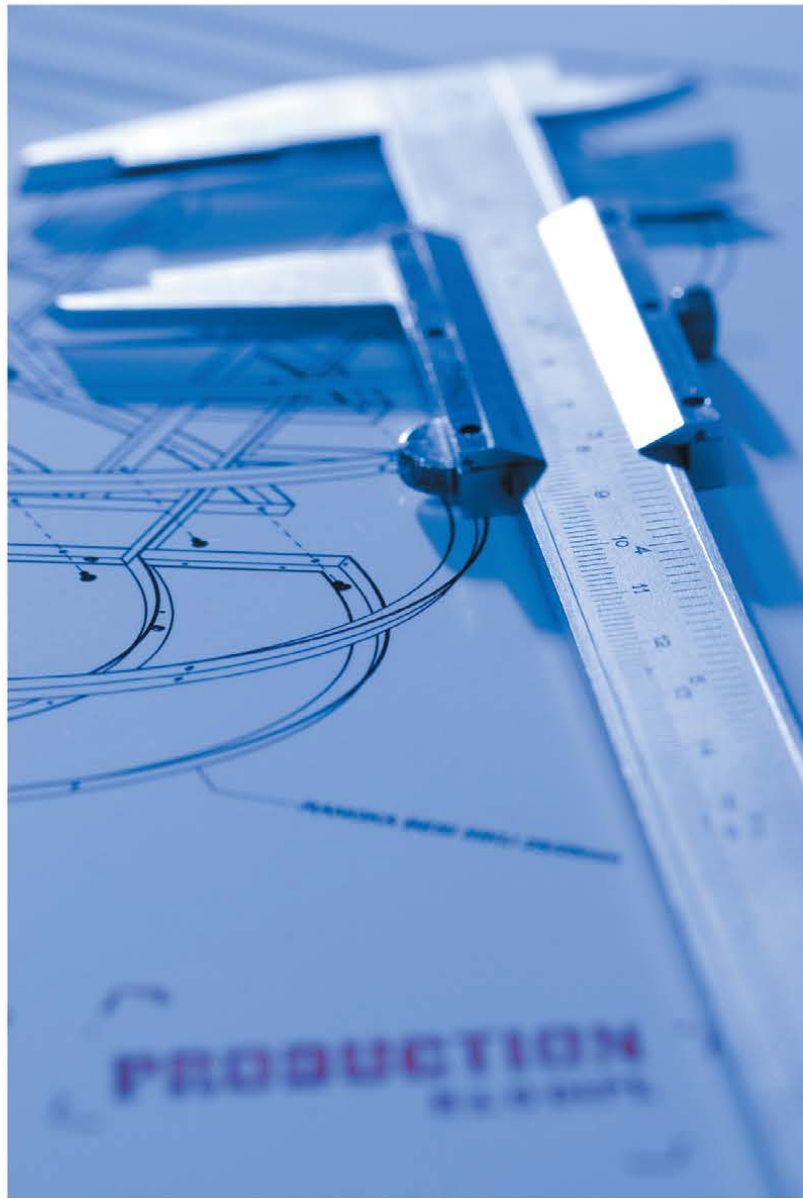

FOOD & BEVERAGE

For more than two decades, Via Motif International has been a premier resource for innovative interior design accessories for fine hotels and resorts around the world. Over the years, Executive Chefs and Food & Beverage Directors have looked to Via Motif for unique ideas to add sophistication to their service presentations. Our meticulously handcrafted offerings range from in-room and poolside dining accessories to creative buffet concepts and tabletop accents. Distinguished by their inventive use of materials, clean design and exquisite attention to detail, the Via Motif range of Food & Beverage accessories adds a touch of casual luxury to any décor.

DESIGN

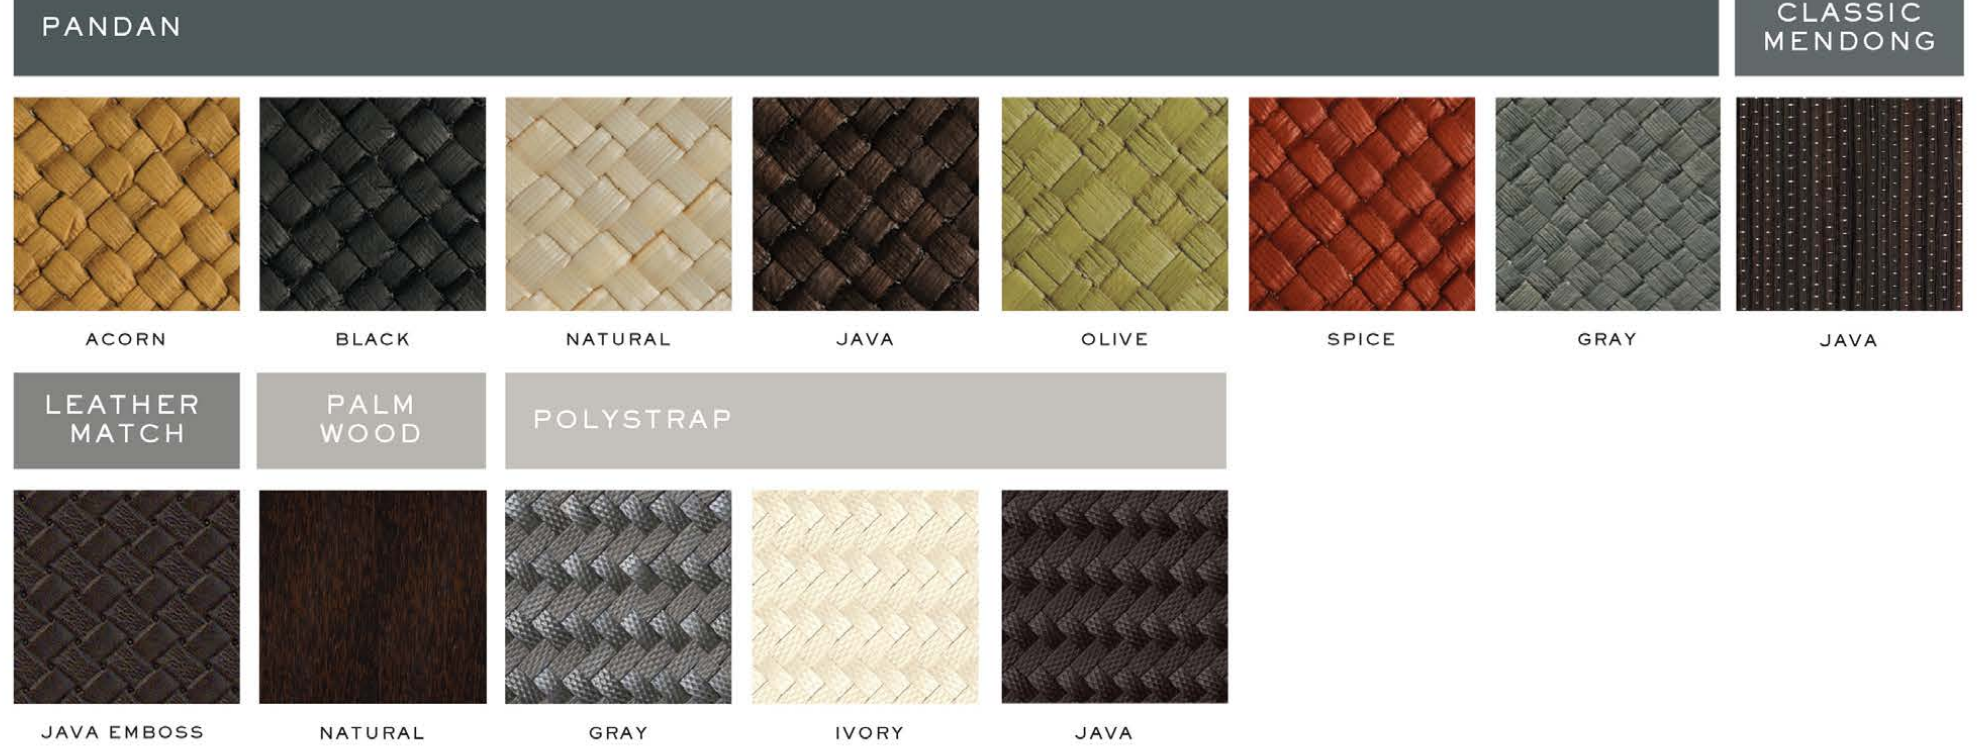

Beyond our extensive signature collections, Via Motif offers unique custom capabilities to the hospitality and design industries. With our in-house design studio, we are able to manage the entire process – from concept to fabrication – utilizing stunning materials developed from primarily sustainable resources. We collaborate with hotels, resorts, spas and restaurants around the world to create beautiful customized collections that reflect a reverence for nature and an appreciation for traditional craftsmanship.
